

This book was typeset in Europe by the author on the UNIX operating system FreeBSD 4.2 with the typesetting system \LaTeX and its macro language $\text{\LaTeX} 2_{\epsilon}$. It was designed for U.S.-letter paper ($8\frac{1}{2}in. \times 11in.$) with crop marks at $7\frac{3}{8}in. \times 9\frac{1}{4}in.$ for reproduction. It is typeset in the 10pt *Adobe Palatino* font family. It was shipped to the publisher in camera-ready *Postscript* format via the Internet.
